THE CHURCH AROUND THE WORLD IS GROWING...

Praise God that he is growing his church! God has brought many new believers to him who need discipling.

These new Christians need a strong foundation, as they are likely to be exposed to false teaching and syncretism. Trained leaders teaching the true gospel can help them build their faith on solid ground. And the need is immense! With the church growing so rapidly, who will shepherd these many flocks?

YOU CAN HELP TRAIN PASTORS AND EQUIP CHRISTIAN LEADERS IN DEVELOPING NATIONS.

*"We are seeing impacts of having **good biblical theological education** for students here at St Patrick's. They say '**Now, we are able to preach Christ.** And we are able to preach the truth of the word of God.' We thank you and we give glory to God because **you have contributed to change people's lives.** Through the study here **students can go and change others.** Thank you so much."*
